For a perfect Foam in a Cappuccino, for a simple splash
in a regular brew, for crazy coffee art, or to add
something special in your tea.

Do not worry, we got you covered also for blends and
special vegan smoothies.

GUSTO SOY

- Perfect for barista, because it is easy to assemble
- Ideal for creamy and enveloping cappuccinos.
- Its light vanilla aroma gives your cappuccino an elegant taste, creating a perfect balance.
- For nutritional values it is the most similar to cow's milk.
- Excellent paired with full-bodied espresso, with dark chocolate and dried fruit taste.

GLUTEN FREE DAIRY FREE ITALIAN SOY FOR VEGETARIAN AND VEGAN

GUSTO ALMOND

- Naturally white as milk.
- because it mounts even when cold
- Its contribution of fats and fibers gives a velvety and enveloping foam to create cappuccinos in latte art.
- Thanks to its delicate taste it goes well with coffee with milk chocolate, spices or dried fruit taste.
- Try it cold with or without coffee!

GLUTEN FREE NO ADD SUGAR NO SOY FOR VEGETARIAN AND VEGAN

GUSTO
OAT

- Perfect for the barista, because it is easy to assemble.
- White and naturally sweet like regular milk.
- It performs very well hot and cold.
- Perfect for making cappuccinos in latte art.
- Excellent paired with coffee with dried fruit, spices or ripe fruits taste

GLUTEN FREE NO ADD SUGAR NO SOY FOR VEGETARIAN AND VEGAN

GUSTO
COCONUT

- Perfect for the barista because it is easy to whip, thanks to its natural content of proteins and fats.
- excellent for creating creamy cappuccinos with an exotictaste.
- Its delicate coconut notes go very well with coffee, even when hot.

fritz-kola®
ORIGINAL

fritz in a bottle.

Mirco and Lorenz first met as children in the Boy Scouts. As students, they shared a close friendship and a desire for independence.

Over frozen pizza and kola, they developed a shared vision:

A kola that is better than the market leader.

Stronger, more intense, with more caffeine and the potential to change the world.

Origin Germany

fritz-kola® original

Our original: the better alternative with a unique kola taste and lots of caffeine.

- intense and taste, with a slight citrus note
- 25 mg / 10 cl caffeine from coffee beans
- natural cola-nut extract
- ☞ sugar from sugar beet

20 cl and 33 cl reusable glass bottle

fritz-kola® super zero

Going zero? Then super zero: intense fritz-kola taste, fully caffeinated, zero sugar.

- full-on fritz-kola taste
- 25 mg / 10 cl caffeine
- natural cola-nut extract
- ☞ sweeteners: sodium cyclamate, acesulfame K, aspartame

20 cl and 33 cl reusable glass bottle

fritz-limo[®] orange

Sunlight in a bottle: our orange limo comes to fruition from mixing orange, lemon and mandarin for a flavour-packed 17% fruit content.

- 17% fruit content
- orange, lemon and mandarin
- sugar from sugar beet

20 cl and 33 cl reusable glass bottle

fritz-limo[®] lemon

If lemons give you life, then it's fritz-limo. With lotslots of lemons for a high fruit content.

- 7% fruit content
