OBITUARY

Courageous, Determined, and Charismatic describes the honorable Detective Allan Reddins.

Allan was born May 29, 1984, in Chicago to Bettina Reddins. Even as a child he was smart, funny and charming. Allan attended St. Ailbe Elementary and Harlan High School. Allan's early years were marked by his academic and athletic achievements at Harlan High School where he graduated in 2002. Allan always had a desire to go into law enforcement therefore he continued his education at Triton college where he majored in Criminal Justice. At the age of 19 he met the mother of his only child, Stacey, 3 years later at the age of 21 he became a father to his precious son. Becoming a father motivated Allan to be the best man he could be. He became a family man while landing a position in the agricultural industry where he made many lifelong friends.

Still determined to pursue his dream of being a police officer, he decided to return to school and complete his Degree at Loyola University. He manifested his lifelong ambition to serve as a police officer. A goal he fulfilled with distinction. Beginning his law enforcement career at Metra Police Department then landing at Oak Park Police Department in 2019. Allan exceeded expectations quickly with Oak Park Police Department. His dedication and commitment to the community were recognized with a promotion to Detective in 2022, a role in which he excelled, handling numerous significant cases with diligence and dedication.

Allan was immensely proud of his son Jayden whose academic accomplishments are also commendable. An honor student at Morehouse college who became certified as an EKG technician at the age of 17. Allan was eagerly anticipating his son's graduation from Morehouse College in 2027.

Allan's life was enriched by his close friendships with James Butler, a bond that began in seventh grade and endured throughout his life and his twin best friends Schenita and Schonella Stewart. All of whom became sisters and brothers for life.
