Colet n° :

PLAN DE DALA

Dimensiunile date pe planul de bază sunt dimensiunile plăcii de beton care urmează a fi realizată pe un teren perfect plat, fără niciun alt obiect exterior precum un perete, gard sau copac în jurul plăcii. Dacă produsul este instalat lângă un perete, un gard viu sau un copac, este necesar să-l țineți departe de elementele exterioare pentru a-l putea asambla și întreține cu ușurință. Ne declinăm orice răspundere în cazul interpretării greșite a dimensiunilor plăcii.
