

## ***Invitation for Expression of Interest for E-Commerce Gateway Platform***

Date: 16-12-2024

Myanmar Payment Union (MPU) is a public company limited that operates as a service provider for the National Payment Switch in Myanmar. MPU facilitates secure, efficient, and reliable payment processing services, including ATM, POS, mobile, and online transactions. Our mission is to advance the payment infrastructure in Myanmar to support the growing demand for digital transactions.

The intent of this RFI is to solicit expressions of interest from a broad spectrum of solution providers. MPU is seeking a solution provider who has experience to upgrade the existing e-commerce gateway platform. MPU has been operating the current platform for almost 10 years and aims to leverage new technology advancements and trends to enhance functionality, security, scalability, and user experience.

MPU through this RFI, invites reputed Solutions Providers to express their interest in Ecommerce Gateway Platform for MPU. The EOI may be submitted as per contact info given.
