WHAT MAKES US DIFFERENT

Our Courses are rooted in the same principles that helped us grow our church from 10 people to over 3,000 people. We understand the unique challenges of scaling teams and systems that exist at every level of ministry. Our Courses are crafted around practical objectives as opposed to theoretical learning objectives.

YOUR INSTRUCTOR

Pastor Brennan helped pioneer Discovery Church from a few families in a living room 10 years ago, to over 3,500 each weekend. His passion is developing and releasing anointed worship leaders who are fully equipped to lead and build ministries in the church context.
