

A close-up photograph of a hand holding a black pen, poised to write on a calendar page. The calendar shows dates from 8 to 18. The background is softly blurred, showing a person's face and a blue and white checkered shirt. The overall tone is professional and focused.

Quotes

By Samyak Jain

"Its not really a matter of
time but what we choose
to do with it."

“By trying not to let anyone down,
We let ourselves down the most,
Which is not something to do”

“It’s better to be in an awkward situation for some hours than be in life time of regret.”

“I will be the person for who’s creation,
Even the mightiest gods will be proud.”

“If you can enjoy the unknown, you are
good for life.”

“Life’s hard for those who have scope
to grow,
If its not hard, it’s not worth living”

“Eventually everyone who came will go, and that is a part of life like everything else.”

"If you can,
You must.
If you can't,
You should."

“If there’s something good in feeling low, it is the people you have who are there to always cheer you up.”

“Be strong enough to handle
something unknown,
And smart enough to know what you’re
handling the second time.”

“Conditions make you mature,
Age makes you old.”

“I would rather be a failed leader,
Than a successful slave. ”

“The reason why you’ll never live your life to the fullest is because : you are not doing what you are supposed to be doing right now”

“What seems to me as the most
craziest thing of all is
People spend their whole life trying to
play it safely to die one day.”

“He who has no purpose of life,
Has no life at all!”

“Any habit which can not be broken,
Is not a habit at all”

“Why not accept the things you have
the way they are?
And keep trying to make them way
better than what they are?”

“If you have something important with
you,

You always bear the risk of loosing it.
But that doesn't mean you should not
have anything important at all!

Having something important in life is
what provides meaning to it in the first
place!”

I want people next to me wonder in
their minds- "how the hell is this guy
doing this?"

Thats the level i wanna achieve!

“If you got problem with every single thing there is, then maybe its because you are the problem.”

“It doesn’t matter how fun an activity
is,
Until you think you aren’t having fun in
it,
You won’t be.”

“You’ve lost the moment you accept
that you can’t go any further.”

"I would rather be sad failing a 20
pull-ups by 2,
Then be happy doing a 10."

“If there is any chance,
I can be better than
who I’m,
I’m taking it. ”

“Being different is not what scares me,
Being the same as everyone else
does.”

“The size of your dream doesn’t
matter,
What matters is how serious you are to
achieve it.”

“People may see you more from the
outside than you,
But no one sees you more than you
from the inside.”

“Everything you do becomes a habit,
The number of times you do it
increases its efficiency.”

“Try to switch places of your mobile with your books, you’ll see how your life will turn upside down”

“Being a true man is doing something
that no one wants to,
Knowing that someone has to.”

“If your path requires a new you,
Leave the old you right away,
Cause leaving the path is not an
option.”

“My greatest fear is meeting god after death and he telling me-
I could have done better.”

“No matter how good you are,
You can always be better.
No matter how great you are,
You can always be greater.”

“When you hear new things by others,
You learn.
When you hear new things by yourself,
You grow.”

“Strength is not the power you hold
within,
It is the ability to stand up and face
the problem even after getting
knocked down a thousand times.”

“I’m not afraid of someone working
harder than me,
Im afraid that i’m not working harder
than him.”

“If you want a sharp pencil,
You have to sharp it every now and
then,
The same goes with mind.”

“The day you stop asking questions to
find answers,
And starting asking questions to
discover something new,
You’ll start learning.”

“Always give the person a chance to speak, even if they speak against you.”

“You just decide the direction you go
in,
Your direction with the hard work and
time you put in decides your
destination.”

“Knowing the game doesn’t make you
win,
To win you must be good at each and
every aspect of it.”

"Creating something is easy,
Whats hard is maintaining it."

“You can either climb, or can you fall,
Staying at the same place is not an
option,
So won't you try climbing?”

“All you have is all you need,
All you need is to try.”

“To get everything you want, it may
take your entire life.
But you just need one wrong decision
to loose it all.”

"One can never guide you to something until you allow them to."

“The only thing i can't do is give up.”

“Every-time i learn something new I’m
one step ahead to me dream,
And one step away from a new
dream.”

“It doesn’t matter how big one’s
purpose is,
What matters is how big his
determination towards that purpose
is.”

You can only be anyone of these 2 to
your parents-
The problem solver, or
The problem itself.
You choose who you wanna be, and
you have enough time to you use,
But no time to waste."

"You have all the time you need,
unless you let it all be wasted."

“The world can see who you’ll be,
Or they may talk who you’ll be.
But you,
you will decide who you’ll be.”

“If you take it as a problem it will be a
problem,
If you take it as your way to learn
more and get better the same will
happen.”

“The only mistake which can't be solved is the one which was never made.”

“Success is when your competitors
take inspiration from you”

Tell yourself everyday that today is
the day, when you will take the
decision which will change your life
forever, and one day it will be"

“Pressure is the best thing to be in,
It reveals who you truly are,
Some become diamond,
Some become coal,
Some become shit.”

“If you have enough courage to speak
that you were wrong/weak/less
confident, then you have everything
you need to grow.”

This is a book full of quotes,
inspired from life (the
greatest teacher) , written
by Samyak Jain, a 19 year
old Founder, Computer
Science Student,
Philosopher (as in 2024)
from the teachings he took
from life and different parts
of it.
