“LA CANTINA”

Our Cellar

Since 1993, Casa Mia has been a place where hospitality is taken seriously, quietly, consistently, without shortcuts.

Our cellar is not a display. It is a journey.

It begins in Italy, from the crisp whites of the North to the noble reds of Piedmont and Tuscany, and continues south through Puglia and Sicily, where sun, sea and volcanic soils shape wines of character and honesty.

Beyond Italy, our selection opens to the world, with carefully chosen French and international labels, all selected to complement our cuisine, never to overshadow it.

Whether you choose a simple glass or a special reserve, every bottle in our cellar is here for one reason only: to be shared.

Raise your glass.
Welcome to Casa Mia.
