

The background of the entire image is a vibrant, abstract composition of tropical leaves. Large, bright green leaves with prominent veins are layered over a deep teal background. Interspersed among the green are large, elongated leaves in shades of orange, red, and yellow, some with white or light-colored veins. The leaves are arranged in a dynamic, overlapping fashion, creating a sense of depth and movement. The overall color palette is rich and saturated, evoking a tropical, festive atmosphere.

# Season *Greetings*

Dear Valued Guests,

As we gather to celebrate this festive season, it is with great pride and excitement that I reflect on the transformation of our beloved San Juan Marriott Resort & Stellaris Casino. This past year has been a remarkable chapter in our journey, as we continue to enhance and elevate the experiences we offer to each of you, our cherished guests.

Over the past 30 years, we have strived to create a home away from home—an oceanfront retreat where moments turn into memories. Today, after a series of thoughtful renovations, we stand ready to embark on the next three decades, even more committed to delivering extraordinary experiences that capture the vibrant spirit of the Caribbean and the warmth of Puerto Rican hospitality.

Our newly revamped spaces, from refreshed rooms to exciting culinary offerings, reflect our continuous effort to not only meet but exceed your expectations. From sun-soaked poolside moments to vibrant evenings in our bars and restaurants, every detail has been designed to make your stay with us unforgettable.

Looking ahead, we are filled with hope and anticipation for what the future holds. We remain dedicated to evolving and innovating, ensuring that San Juan Marriott Resort remains a destination of choice for travelers from all over the world for years to come.

As you enjoy your time with us this season, we invite you to explore all the new experiences awaiting you and to create new memories that will last a lifetime. Thank you for being a part of our journey, and we look forward to welcoming you back again and again.

Warmest regards,

Mariano Formariz  
General Manager
