# Our Services

## Key Services

### Judicial and Legal representation

We are equipped with a prominent team of legal advisors and staff, including lawyers specialized in judicial and general legal representation as well as all related judicial and legal affairs. All of whom are accomplished in representing clients and to inquire into their cases.

This will occur prior to the various judicial and quasi-judicial bodies, dispute settlement committees, judicial investigation bodies, and governmental and semi-governmental agencies

### Alternative dispute resolution

To conform with the rules of the profession, Al-Awael legal firm, with its elite group of specialized consultants, aim to practice mediation and negotiation work. This is as to satisfy our clients' desire to resort to an alternative means to dispute a settlement. From a moral position, we strive to resolve disputes amicably or by alternative methods before resorting to a court of law.
