

Goodman Ceramic Studio

A Unique Pottery Party Experience @STUDIO GDMC

Celebrating your child's birthday is a significant moment for your child. We offer a memorable experience in an awe-inspiring space. Let our educator-artists curate a memorable experience through learning the craft of pottery.

Hands working together, laughing with friends, creating a unique and bespoke pottery piece(s) and a birthday celebration will be the highlights of the session.

Wheel Throwing Fun

1.5 Hours

Throwing and making marks and patterns the vessel

Reference video:

IG real on left QR code

Participants make 2 vessels on the spinning wheel complete with simple carved details.

Package includes 1 vessel bisque fired per child.

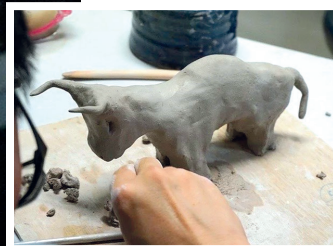

Handbuilding Programme Sculptures or pot Making

2 Hours

Let your child tell us what her or she wants to make. We will customise the sculpting lesson to make his or her favourite subject come to life in clay.

Includes colouring with underglazes.

One fired piece per child.
