Welcome Race Fans to Five Star Liquor Stratford Speedway for our February 1st event that is sponsored by Sentry Hill Motel. If you're looking for well prices, quality accommodation in Taranaki, then look no further than Nola and the team and Sentry Hill Motel. Nola is a great supporter of Speedway at Stratford and has the perfect setup for race cars as well with plenty of space and security.

Tonight's feature event is the West Coast Stockcar Teams Champs that is supported by Sentry Hill Motel and Dairymaster. We have six teams that will race over nine races to settle who should sit where on the podium!

But that's not all! Also on the race card is the Repco Taranaki Superstock champs and the Zodiac Signs Taranaki Minsiprint champs that should both produce epic racing as drivers race for the sought after trophies. Rounding out the program is the Adult Ministock Best Pairs.

Well done to our competitors who have achieved results over the last few weeks, including Josh Walsh who placed second in the New Zealand Stockcar Championship in Wellington and Karl Uhlenberg who won the New Zealand Minisprint Championship in Palmerston North.

Good luck to the Stratford Scrapers Superstock team who will head to Palmerston North next weekend to compete in the Superstock Team Champs.

If you get a spare moment, take the opportunity to check out the souvenir shop. We have all our usual merch available there including some old season stock of Hoodies and T-shirts that we are clearing before our new stock arrives - Hoodies \$40 and T-Shirts \$25.

You can keep up with what's happening each week and purchase online tickets at our website www.stratford-speedway.co.nz or follow our Five Star Liquor Stratford Speedway page on Facebook to find information and enter competitions to win passes.

That's about it from us, so sit back, relax and enjoy your night at Speedway. We hope you enjoy your time here and look forward to hosting you again soon!

TEAM FORMAT:

Managers will draw a number (1 to 6) during the grand parade that will align with the scheduled races in the program and set the match ups. The first six races will run the points system - 1st 100, 2nd 40, 3rd 25, 4th 20, 5th 10. After these races, the two highest points scoring teams will race for 1st /2nd . The next two highest points scoring teams will race for 3rd /4th and the lowest two points scoring teams will race for 5th /6th . These races will be first across the line so the race winner, wins for their team.

SPEEDWAY 101

SO YOU HAVE NEVER BEEN TO SPEEDWAY BEFORE,

well, you're in for a treat tonight. Stratford Speedway has been around for over fifty years with racing starting on this site way back in 1964. A variety of classes have raced throughout that time, some no longer exist while some have evolved into what you will see on the track tonight.

These days, nine different classes race at Stratford Speedway, with up to six of these racing on any given night. From time to time, other invitational classes will make an appearance while other feature events are held throughout the season including among other things, Demolition Derbies and Stockcar Soccer.

THE RACES:

The most common duration for race length is ten laps. Superstocks, Stockcars, Streetstocks and the Adult Ministocks all begin their race from a standing start at the start line which is in front of the grandstand. All the other classes – Modifieds, Midgets, Saloons, Minisprints and Youth Ministocks will start from a rolling start. The field will follow the pace ute around the track until it pulls off at turn two at which point the drivers know they are about to start. The lights will go green and the race starts coming off turn four.

The races may be stopped or slowed at any time due to crashes or incidents. Most classes will stop when the officials activate the red lights however the Modifieds, Midgets, Minisprints and Saloons don't run the red light and will slow when the yellow comes on. Competitors will circulate slowly until the race is restarted which will be done in a single file format.

RACE RADIOS:

All classes run these. Officials will communicate with drivers via the radios to advise them of impending red or yellow lights, to move to correct grid positions and so on. The radios are one way only and the competitors can't talk back to the officials.

THE CLASSES

SUPERSTOCKS **Repco**

Without doubt this is the premier contact class in New Zealand Speedway. The cars are fast, expensive, and heavy (weighing in at between 1400 and 1500 kg's). Drivers are not only permitted to, but encouraged to hit each other (in their cars of course). The cars run a variety of engines but Nissan and Toyota V8's are the most popular at this point in time.

STOCKCARS

Looking just like the Superstocks, these cars have more restrictive rules in place to keep the cost down. The cars are still quick, still heavy and the drivers still like to hit each other, in fact more so than the Superstocks due to the lesser amount of money involved. Engines popular in this class include 6 cylinder Ford and Holden's, although almost every manufacturer can be found somewhere in the class.

MODIFIEDS

Wild things with big wings! Modifieds are a spectacular class. The cars run big tyres, big wings and big Methanol breathing engines that produce well over 600 horsepower. The wings on the cars help them to corner extremely efficiently and this makes for very fast and spectacular racing.

SALOONS

One of the few classes that on appearance resemble a road going car. However, closer inspection will reveal anything but. The cars run space framed pipe chassis, run mostly V8 engines running on Avgas and produce somewhere around the 500 horsepower mark.

SUPER SALOONS

At first glance, they may resemble a saloon, but unlike a traditional saloon, these vehicles run on methanol and feature adjustable suspension, larger rear tyres, and more powerful engines. They also boast a distinctive body shape, enhanced by the addition of a plastic wedge front clip nose cone that adds to their unique style.

THE CLASSES

STREETSTOCKS **HOLDIN HEAVEN**

A budget racing class that is effectively road going cars altered into racing machines by removing windows, door cards, seats etc and installing a roll cage along with a few race parts. Holden commodores and Ford Falcons are particularly popular in this class. Light contact (tap and spin) is permitted.

YOUTH MINISTOCKS

A class for kids between the ages of twelve and sixteen to race in. The cars are similar in appearance to Superstocks and Stockcars but only run 1200cc Datsun and Toyota engines. Cars are built almost identically and run to strict racing rules with no contact permitted. The young drivers learn valuable car control skills before they even get their road license.

ADULT MINISTOCKS **TH TOOL HIRE TARANAKI**

Identical cars and rules to the Youth Ministocks but with no age restrictions. Good for new drivers on a budget to get out on the track and learn race craft.

zodiacsigns **MINISPRINTS**

Similar in appearance and size to the Midgets but running smaller engines and front and top wings. Although they have less power, the wings help the cars to corner and ensures that their lap times are on a par with the Midgets.

BACK TO BACK TITLES FOR PHILLIPS

Adult Ministock competitor Lukah Phillips successfully defended her Taranaki Adult Ministock title at the Mufflers NZ sponsored event at Five Star Liquor Stratford Speedway on Saturday night. Racing amongst a field of seventeen competitors, Phillips raced to a win in race one of the three race championship from a grid four start before coming home fourth in race two from grid eleven and then produced a great drive to win race three from grid twelve and cement her position at the top of the points table with a points haul of forty eight, enough for her to retain the title that she won for the first time last season by a margin of four points. Brayden Shaw recorded a second, third and fourth over the three races to take second place while Bronson Pierce was third overall.

A near full field of twenty eight Stockcars raced for both the Allan Hancock and Michael Walker Memorials. Kylee Symes nabbed the Hancock Memorial by a one point margin from Todd Duthie who was second and Haydin Barker who was third. Steven Read won the Walker Memorial, also by just a one point margin for Whanganui girl racer Hailey James. Symes continued his good form and was third.

It was the Mitch Vickery and Peter Bengston show in the Super Saloons, racing for the King of the Mountain Champs. The three heat races were won by Vickery, Bengston and event sponsor Craig Korff and the points from these set the grid for the one race final which saw Vickery and Bengston starting off the front row. Korff made his way through a miniscule gap at the race start to take an early lead but ran wide allowing Vickery and Bengston through to the front where the pair stayed with Vickery romping away to take the win ahead of Bengston with Korff third.

Minisprints raced for their Best Pairs trophy and after the points were tallied from the three races Craig Mason and Conrad Hall came out on top as the winners. Donald Kuriger and Bronson Pierce were second and Duane Hickman/Brad Merwood third.

Youth Ministocks completed the race program for the usual classes with race wins going to Lucas Hurley (2), Blake Luscombe and Riley Symes.

An entertaining Holiday Derby concluded the nights racing and saw all manner of caravans and boats being towed around the track and subsequently destroyed in a ten lap race. Daniel Reed won the race in a Holden Commodore towing a boat ahead of Matt Hill's crowd favourite 'snail car', a Nissan S Cargo, also towing a boat.

In the top right corner, there is a logo for 'Roofing Industries' with the website 'roof.co.nz'. The text 'SOUVENIR SHOP' is written in large, bold, yellow-outlined letters. Below it, the text reads: 'HEAD ON OVER TO THE CONTAINER SHOP ON THE ENTRY TO TURN ONE FOR SOME STRATFORD SPEEDWAY MERCH OR A POSTER OF YOUR FAVOURITE DRIVER!'. At the bottom, it says: 'Clearance on last seasons Stratford Speedway and NZ Modified Championship Hoodies and T-Shirts. \$40 per hoodie and \$25 per T-shirt.'
