Welcome Race Fans to Five Star Liquor Stratford Speedway for tonight's event that is sponsored by the team at Pick A Part. Pick A Part are based in Corbett road New Plymouth and have New Zealand's cheapest car parts. Why not check them out next time you need something to keep your vehicle going?

Tonight's feature event is the West Coast Streetstock Teams Champs. Four teams have been assembled and will race two qualifying races each with the top two points scoring teams racing for first and second place while the other two teams will race for third and fourth. Qualifying races will be for points and the finals first across the line. Will the Rotorua Ratbags, Tamarua Terrors or the Canterbury Cobras take overall victory or will the local team, the Stratford Sharks reign supreme?

After the teams racing, and as the last event on the program, all Streetstock drivers will race for the Paradise Valley Berry Farm Dash for Cash which sees \$1000 up for grabs!

Points for qualifying races: 1 st 100, 2 nd 40, 3 rd , 25, 4 th 20, 5 th 10.

Also up for grabs tonight is the Warren Lowry Stockcar Memorial. This event is for the best stirrer in the class on the night so should generate some interesting racing as drivers battle to score this sought after trophy.

The Saloon class will be busy, racing for two Memorials. Drivers will race two races, with front and reverse grids for the Sam Korff Memorial while the Plews Memorial will be contested over the final race. The grid for this race will see the highest points scorer from the Sam Korff event choose grid one or two while the rest of the field will grid in descending order of points. Will we see a driver score win both or will the victories be spread?

With supporting classes tonight of Superstocks, Minisprints and Youth Ministock we have a packed and varied race program.

Well done to the Stratford Stormers Stockcar team who placed third at the Peter Barry teams event in Hawkes Bay last weekend. This team has been in good form all season, winning the teams invasion in Palmerston North along with the West Coast Stockcar teams champs here at Stratford and placing second in the New Zealand teams championship in Rotorua.

The speedway season is getting close to the end and our next event on April 5 th will be our last for the 2024/2025 racing season. This event will feature a Demolition Derby along with the King of the Mountain Modified Champs and Superstock Best Pairs so make sure you come along to get your last fix of racing before winter sets in.

You can keep up with what's happening each week and purchase online tickets at our website www.stratford-speedway.co.nz or follow our Five Star Liquor Stratford Speedway page on Facebook to find information and enter competitions to win passes. For this years season points update [click here!](#)

That's about it from us, so sit back, relax and enjoy your night at Speedway. We hope you enjoy your time here and look forward to hosting you again soon!

SPEEDWAY 101

SO YOU HAVE NEVER BEEN TO SPEEDWAY BEFORE,

well, you're in for a treat tonight. Stratford Speedway has been around for over fifty years with racing starting on this site way back in 1964. A variety of classes have raced throughout that time, some no longer exist while some have evolved into what you will see on the track tonight.

These days, nine different classes race at Stratford Speedway, with up to six of these racing on any given night. From time to time, other invitational classes will make an appearance while other feature events are held throughout the season including among other things, Demolition Derbies and Stockcar Soccer.

THE RACES:

The most common duration for race length is ten laps. Superstocks, Stockcars, Streetstocks and the Adult Ministocks all begin their race from a standing start at the start line which is in front of the grandstand. All the other classes – Modifieds, Midgets, Saloons, Minisprints and Youth Ministocks will start from a rolling start. The field will follow the pace ute around the track until it pulls off at turn two at which point the drivers know they are about to start. The lights will go green and the race starts coming off turn four.

The races may be stopped or slowed at any time due to crashes or incidents. Most classes will stop when the officials activate the red lights however the Modifieds, Midgets, Minisprints and Saloons don't run the red light and will slow when the yellow comes on. Competitors will circulate slowly until the race is restarted which will be done in a single file format.

RACE RADIOS:

All classes run these. Officials will communicate with drivers via the radios to advise them of impending red or yellow lights, to move to correct grid positions and so on. The radios are one way only and the competitors can't talk back to the officials.

THE CLASSES

SUPERSTOCKS **Repco**

Without doubt this is the premier contact class in New Zealand Speedway. The cars are fast, expensive, and heavy (weighing in at between 1400 and 1500 kg's). Drivers are not only permitted to, but encouraged to hit each other (in their cars of course). The cars run a variety of engines but Nissan and Toyota V8's are the most popular at this point in time.

STOCKCARS

Looking just like the Superstocks, these cars have more restrictive rules in place to keep the cost down. The cars are still quick, still heavy and the drivers still like to hit each other, in fact more so than the Superstocks due to the lesser amount of money involved. Engines popular in this class include 6 cylinder Ford and Holden's, although almost every manufacturer can be found somewhere in the class.

MODIFIEDS

Wild things with big wings! Modifieds are a spectacular class. The cars run big tyres, big wings and big Methanol breathing engines that produce well over 600 horsepower. The wings on the cars help them to corner extremely efficiently and this makes for very fast and spectacular racing.

SALOONS

One of the few classes that on appearance resemble a road going car. However, closer inspection will reveal anything but. The cars run space framed pipe chassis, run mostly V8 engines running on Avgas and produce somewhere around the 500 horsepower mark.

SUPER SALOONS

At first glance, they may resemble a saloon, but unlike a traditional saloon, these vehicles run on methanol and feature adjustable suspension, larger rear tyres, and more powerful engines. They also boast a distinctive body shape, enhanced by the addition of a plastic wedge front clip nose cone that adds to their unique style.

THE CLASSES

STREETSTOCKS **HOLDIN HEAVEN**

A budget racing class that is effectively road going cars altered into racing machines by removing windows, door cards, seats etc and installing a roll cage along with a few race parts. Holden commodores and Ford Falcons are particularly popular in this class. Light contact (tap and spin) is permitted.

YOUTH MINISTOCKS

A class for kids between the ages of twelve and sixteen to race in. The cars are similar in appearance to Superstocks and Stockcars but only run 1200cc Datsun and Toyota engines. Cars are built almost identically and run to strict racing rules with no contact permitted. The young drivers learn valuable car control skills before they even get their road license.

ADULT MINISTOCKS **TH TOOL HIRE TARANAKI**

Identical cars and rules to the Youth Ministocks but with no age restrictions. Good for new drivers on a budget to get out on the track and learn race craft.

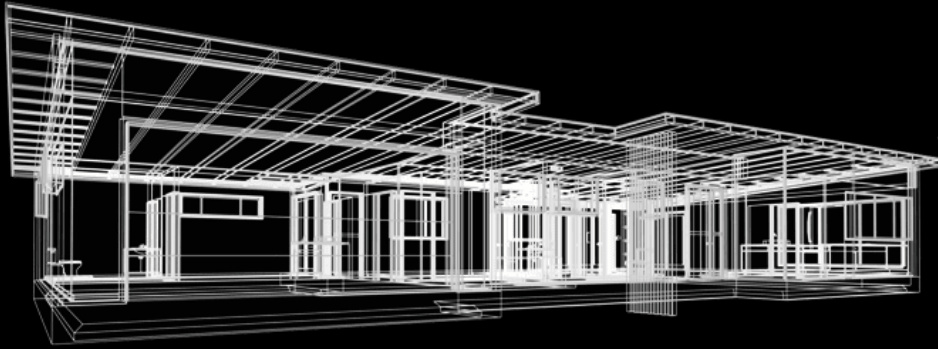

zodiacsigns **MINISPRINTS**

Similar in appearance and size to the Midgets but running smaller engines and front and top wings. Although they have less power, the wings help the cars to corner and ensures that their lap times are on a par with the Midgets.

TWO TARANAKI TITLES DECIDED AT SPEEDWAY

Two Taranaki Championships were raced for at the Graham Harris Property Development Contractors sponsored event at Five Star Liquor Stratford Speedway on Saturday March 22nd with fifteen Super Saloons on hand to contest their championship while the Youth Ministocks boasted a field of over thirty competitors to find their new Taranaki Champion.

The Super Saloons raced two heats to set their grids for the twenty lap winner take all final and after less than ideal qualifying races that saw him finish in position six in heat one and position seven in heat two after spinning to the infield, current New Zealand ranked number two driver Chris Cowling from Tauranga proved why he is one of the masters of the class when he won the final after starting from grid six.

Mitch Vickery looked to have the championship all sewn up after setting the pace at the front of the field for a number of laps and fending off challenges for the front spot by event sponsor Joe Ingram but Cowling placed his car on the outside line and meticulously worked his way around the field and to the front before setting off into the dust as the race leader and eventual winner leaving Vickery and Ingram to fight it out for second and third with Vickery eventually getting the better of Ingram for second place.

The large number of Youth Ministocks saw them run the three/four format with the class running four races and each driver competing in three. After close racing all night, Wellington driver Jesse McPhee managed to snare the trophy for the Taranaki Champs by a one point margin from local racer Hutch Cleaver while Palmerston North contracted driver Boston Joblin was third.

Superstocks raced for their Adamson Memorials and with prize money on offer for both the points winner (John Adamson Memorial) and the best stirrer (Gary Adamson Memorial) there was plenty of on track action. After three races Blair Uhlenberg and William Hughes were tied on points, a four lap run off being utilised to determine the winner with Uhlenberg storming away to win from Hughes. Brad Uhlenberg earned the stirrers prize for his on track antics that saw him targeting three or four cars in the field all night long.

Streetstocks contested the Olsen Memorial with Jared Pryce being the eventual winner after beating Whanganui contracted driver Jason Dunn in a run off when the pair were tied on points. New driver to the class this season, Chris Devereux was third. Ron Washer provided the entertainment in this division. After finishing mid pack in the first race and placing second in race two, Washer destroyed any chances he had of making the podium when he hit the wall by himself in turn one and spectacularly barrel rolled.

Newton Gordge dominated the racing in the Modified class and won the Rusty Kay Memorial by a two point margin from Carl Hinton while Wellington driver Jacon Free was third but it was Aaron Barkla who impressed with the way he has come to grips with his car. After two good races he smashed the throttle to the floor in the last race and led for a large portion, unlucky not to win the race and make the podium.

JUNIOR SUPPORTERS CLUB

The GJS Junior Supporters Club is available to children aged 14 years and under. The fee is \$30 which gives members entry to the track and all club competitions for the season.

You can join by going to the 'Membership' page at www.stratford-speedway.co.nz or simply [click here](#).

An advertisement for Stratford Speedway merchandise. It features two people wearing black hoodies with 'Stratford Speedway' and 'NZ Modified Championship' logos. The background is an aerial view of the track. A poster for 'Roofing Industries' with the website 'roof.co.nz' is visible in the top right. The text 'SOUVENIR SHOP' is prominently displayed in large, bold, yellow-outlined letters. Below it, the text reads: 'HEAD ON OVER TO THE CONTAINER SHOP ON THE ENTRY TO TURN ONE FOR SOME STRATFORD SPEEDWAY MERCH OR A POSTER OF YOUR FAVOURITE DRIVER!'. At the bottom, it says: 'Clearance on last seasons Stratford Speedway and NZ Modified Championship Hoodies and T-Shirts. \$40 per hoodie and \$25 per T-shirt.'
