

# TALANTON

Create Jobs • Bring Hope • Transform Lives

## What makes our investing mission different?

---

At Talanton, we know many people have a burden for "the least of these."

The problem is that beating poverty can seem like an insurmountable task. The mere thought of it can leave you stymied. You feel the weight of responsibility to help, but you aren't sure where to start or which mission-driven organization will help you make the greatest impact.

If you believe that God blessed you with financial resources for a reason, and that His desire for you is to use those resources to make a real, lasting difference in this world, please join us by becoming part of the faith-driven investing movement. Every Christian desires to hear God say "Well done, good and faithful servant" (Matthew 25:21).

**7 out of 10**  
of the fastest  
growing  
economies are  
in East Africa

**\$1 Trillion**  
funding gap for  
entrepreneurs

**70% of Jobs**  
are created by  
small-medium  
sized businesses

# Valuation Process

## Our Approach

Talanton is an evergreen fund that allows investments quarterly, and withdrawals anytime after a four-year investment window, so we recognize the importance of clear policies regarding valuations. We have engaged a team of top-tier partners to help us deliver a world-class service.
