OUR VISION

QUALITY IS OUR HALLMARK

"Our mission is to leverage our family-founded legacy of trust and commitment to become a leading force in the global pharmaceutical industry. Grounded in the belief that relationships are the cornerstone of success, we strive to cultivate lasting partnerships as we ambitiously expand in Pakistan and beyond."

We are a Pakistan based pharmaceutical company run by a family of visionary doctors. Our manufacturing facility located on the Main Ferozepur Road in Lahore is ISO 9001:2015, 14001:2015, 45001:2018, 22000-2018 & ISO/IEC 17025: 2017 certified and is compliant with the latest cGMP and cGLP standards.

Established since 1995, Don Valley Pharmaceuticals through its higher standards of production and its modernistic manufacturing facility is renowned for providing quality healthcare products at affordable costs while meeting and exceeding international standards.

We pride ourselves on operating some of Asia's most sophisticated pharmaceutical machinery, including an active R&D Department and state-of-the-art Quality Control and Microbiology laboratories.

Our workforce of over 500 dedicated employees and their commendable work ethic is what differentiates us from our competitors. We value our employees and treat them like family because only by operating as a strong cohesive unit can we truly work for the benefit of our customers.

Don Valley has managed to carve a niche for itself in the world of Pharmaceuticals with its annual sales having reached US \$10 million across Pakistan, Asia and the African regions. Our products span the entire continuum of care including anti-infective, diabetes, cardiovascular, anti-ulcer, gastroenterology, anti-anemic, anti-epileptic, anti-depressant, vitamins and analgesic.

In addition to employing of a highly trained sales and marketing team spread across the region and an extremely sound distribution network, we are also a major player in supplying pharmaceutical drugs to Government Hospitals and Institutions.

Today, Don Valley aspires to reach higher export goals and explore further avenues in product innovation and development. We are already in the planning phase of launching fully automated injectable and nutraceutical units whilst effectively developing our sales in Sri-Lanka, Myanmar, Cambodia, Yemen, Afghanistan, Burundi, Guinea, Somaliland and many others.

We are extremely excited about the journey we have made so far and sincerely believe that the best of Don Valley is yet to come!
